# SOCIAL STUDIES

Prepare a weather Journal of Lakshadweep Islands and Andaman & Nicobar Islands

What you need: Construction paper, scissors, glue, preprinted labels, crayons, recording pages.

What you have to do: Fold construction paper in half to make a book cover. Staple a stack of recording pages in the middle. Use scissors to cut out clouds, the sun and raindrops and glue them onto the cover. Then write about the weather and climate in Lakshadweep Islands and Andaman & Nicobar Islands in the month of July/August 2023.

(For weather you can choose any days in the month of July/August)
